No doubt the Circulars of the Comptr Gl in the Intia Office a Guide from Dept of Audit General - but the latter always adapted this circulars & the system in force here. To codify & bring the Civil Account Code & Hyme without Govt Sanction seems to be wrong & the cause of some Confusion and certainly of much more work than the Ready Established here, when they were substituted Expected to overtake - The situation may become worse if the Code be extended to the Taluk Treasuries

The Comptroller must compile a very short Code specially for Taluk Treasuries & another for the Dt Treasuries. The first draft appears to be wholesale introduction of B. Codes Containing much that is not suitable to or required for our Treasuries.

Here shd be a continuing in Treasury management & this shd be borne in mind in preparing the Draft Codes for the Taluk & Dt Treasuries
